Bee-care Apiaries International Limited is a private company that strives to continually improve the reputation of each product that we produce and maintain consumer confidence in our brands. We are committed to the implementation of the Food Safety Standards and Practices. This responsibility lies with each of our employees that has direct influence on ingredients, manufacturing, packaging, storage and transportation of our products.

Our Commitment

Bee-care Apiaries International Limited is committed to produce safe and quality products for the benefit of our customers and other stakeholders. The active monitoring and implementation of this policy lies at the Top Management and Food Safety Team in the factory. It is the responsibility of the Top Management and specifically the Chief Executive Officer (CEO) to ensure that all required resources are committed towards the running, implementation and maintenance of this system in all relevant functions.

It is our commitment:

1. To meet and exceed our customer requirements in providing quality and safe products and associated services;
2. To maintain effective and efficient processes;
3. To prevent, control, reduce and eliminate potential food safety hazards;
4. To ensure that our food safety policy provides the framework for setting and reviewing the objectives of the FSMS;
5. To ensuring that competencies related to food safety are addressed;
6. To protecting the business and consumers from internal and external threats/vulnerabilities through the use of Food Defense and Food Fraud Prevention.

The BCA management is committed to maintaining adequate and effective internal as well as external communication of our policy and food safety issues at all levels of the organization and the food chain through induction and awareness training on food safety to our staff, external and internal service providers.

We shall endeavour to continually review and improve our Food Safety Management System for continued suitability for the corporate objectives that conforms to statutory, regulatory and customer requirements.

Jackson M. Masesi

CEO
